

**Life Changes Group** (Cambridge, MA) is seeking a talented and versatile psychologist to join our thriving group private practice. Candidates should be licensed or license eligible in MA and have postdoctoral experience with neuropsychological assessment and counseling. Fee-for-service and full-time, salaried work available with competitive compensation and opportunities for peer supervision, insurance paneling, and continuing education expenses. Candidates with experience in behavioral psychotherapies, LD, and ADHD assessment are preferred. Please respond to [info@LifeChangesGroup.com](mailto:info@LifeChangesGroup.com) with a letter of interest, resume, and (if applicable) a neutralized neuropsychological report. For additional information about our treatment philosophy and approach, visit us at [www.LifeChangesGroup.com](http://www.LifeChangesGroup.com).
